

Department of Pathology Research Seminar

Annual Robert S. Totten Lecture

"Careers in Academic Anatomic Pathology: Reflections Over 25 Years"

Mark R. Wick, M.D.
Professor of Pathology
Department of Pathology
University of Virginia
Charlottesville, VA

Mark R. Wick, M.D. is Professor of Pathology, Associate Director of Surgical Pathology, and Director of Pathology Residency Training at the University of Virginia at Charlottesville. He received his undergraduate education at Carroll University (Waukesha, WI), his medical education at the University of Wisconsin (Madison, WI) and his anatomic & clinical pathology residency training at the Mayo Clinic & Mayo Foundation (Rochester, MN). He has served on the pathology faculties at the Mayo Medical School (Rochester, MN), the University of Minnesota (Minneapolis, MN) and Washington University (St. Louis, MO), and has made contributions to the specialty of pathology as an investigator, practitioner, educator, and mentor. Dr. Wick is a physician who has continued to practice as a general anatomic pathologist and yet has developed expertise in several subspecialty areas of pathology. Immunohistochemistry, dermatopathology, thoracic pathology, & soft tissue pathology are his areas of particular interest.

Objectives:

To bring forth the latest scientific and clinical developments in Pathology and how they relate to one another. To present state-of-the-art in Pathology, Medicine and Biology.

Target audience:

Faculty, research associates, graduate students and residents in the Department of Pathology; faculty, associates and trainees in the School of Medicine; scientist from other facilities. Pathology seminar series information available via <http://path.upmc.edu>.

CME Credit

The University of Pittsburgh School of Medicine, as part of the Consortium for Academic Continuing Medical Education, is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The Center for Continuing Education in the Health Sciences designates this continuing medical education activity for a maximum of 1.0 hour of Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity. In accordance with Accreditation Council for Continuing Medical Education requirements on disclosure, information about relationships of presenters with commercial interests (if any) will be included in materials which will be distributed at the time of the conference.

For more information on seminar series contact 412.648.1040.
